SECTION 2. EFFECTIVE DATE.

This Rule and Regulation shall become effective January 1, 1999.

Act". The information called for by this Rule and Regulation is hereby declared to be necessary and appropriate in the public interest and for the protection of the policyholders in this State.

SECTION 4. SEVERABILITY CLAUSE.

If any provision of this Rule and Regulation, or the application thereof to any person or circumstance, is held invalid, such invalidity shall not affect other provisions or applications of this Rule and Regulation which can be given effect without the invalid provision or application, and to that end the provisions of this Rule and Regulation are severable.

SECTION 5. FORMS - GENERAL REQUIREMENTS.

(a) Forms A, B, C, D, and E are intended to be guides in the preparation of the statements required by the Act. They are not intended to be blank forms which are to be filled in. The statements filed shall contain the numbers and captions of all items, but the text of the items may be omitted provided the answers thereto are so prepared as to indicate to the reader the coverage of the items. All instructions, whether appearing under the items of the form or elsewhere therein, are to be omitted. Unless expressly provided otherwise, if any item is inapplicable or the answer thereto is in the negative, an appropriate statement to that effect shall be made.

(b) Two (2) complete copies of each statement including exhibits and all other papers and documents filed as a part thereof, accompanied by the appropriate Rule 57 filing fee, shall be filed with the Commissioner of the State of Arkansas by personal delivery or mail addressed to:
Insurance Commissioner of the State of Arkansas
1200 West Third Street
Little Rock, Arkansas 72201-1904
Attention: Legal Division.

A copy of Form C shall be filed in each state in which an insurer is authorized to do business, if the Commissioner of that state has notified the insurer of its request in writing, in which case the insurer has twenty (20) days from receipt of the notice to file such form. At least one of the copies shall be manually signed in the manner prescribed on the form. Unsigned copies shall be conformed. If the signature of any person is affixed pursuant to a power of attorney or other similar authority, a copy of such power of attorney or other authority shall also be filed with the statement.

(c) Statements should be prepared on paper 8 1/2" x 11" in size and preferably bound at the top or the top left-hand corner. Exhibits and financial statements, unless specifically prepared for the filing, may be submitted in their original size. All copies of any statement, financial statements, or exhibits shall be clear, easily readable and suitable for photocopying. Debits in credit categories and credits in debit categories shall be designated so as to be clearly distinguishable as such on photocopies. Statements shall be in the English language and monetary values shall be stated in United States currency. If any exhibit or other paper or document filed with the statement is in a foreign language, it shall be accompanied by a translation into the English language and any monetary value shown in a foreign currency normally shall be converted into United States currency.

SECTION 6. FORMS - INCORPORATION BY REFERENCE, SUMMARIES AND OMISSIONS.

(a) Information required by any item of Form A, Form B, Form D or Form E may be incorporated by reference in answer or partial answer to any other item. Information contained in any financial statement, annual report, proxy statement, statement filed with a governmental authority, or any other document may be incorporated by reference in answer or partial answer to any item of Form A, Form B, Form D or Form E provided such document or paper is filed as an exhibit to the statement. Excerpts of documents may be filed as exhibits if the documents are extensive. Documents currently on file with the Commissioner which were filed within three (3) years need not be attached as exhibits. References to information contained in exhibits or in documents already on file shall clearly identify the material and shall specifically indicate that such material is to be incorporated by reference in answer to the item. Matter shall not be incorporated by reference in any case where such incorporation would render the statement incomplete, unclear or confusing.

(b) Where an item requires a summary or outline of the provisions of any document, only a brief statement shall be made as to the pertinent provisions of the document. In addition to such statement, the summary or outline may incorporate by reference particular parts of any exhibit or document currently on file with the Commissioner which was filed within three (3) years and may be qualified in its entirety by such reference. In any case where two (2) or more documents required to be filed as exhibits are substantially identical in all material respects except as to the parties thereto, the dates of execution, or other details, a copy of only one of such documents need be filed with a schedule identifying the omitted documents and setting forth the material details in which the documents differ from the documents, a copy of which is filed.

SECTION 7. FORMS - INFORMATION UNKNOWN OR UNAVAILABLE AND EXTENSION OF TIME TO FURNISH.

(a) Information required need be given only insofar as it is known or reasonably available to the person filing the statement. If any required information is unknown and not reasonably available to the person filing, either because the obtaining thereof would involve unreasonable effort or expense, or because it rests peculiarly within the knowledge of another person not affiliated with the person filing, the information may be omitted, subject to the following conditions:

(1) The person filing shall give such information on the subject as it possesses or can acquire without unreasonable effort or expense, together with the sources thereof; and

(2) The person filing shall include a statement either showing that unreasonable effort or expense would be involved or indicating the absence of any affiliation with the person within whose knowledge the information rests and stating the result of a request made to that person for the information.

(b) If it is impractical to furnish any required information, document or report at the time it is required to be filed, there may be filed with the Commissioner a separate document:

(1) Identifying the information, document or report in question;

- (2) Stating why the filing thereof at the time required is impractical; and
- (3) Requesting an extension of time for filing the information, document or report to a specified date. The request for extension shall be deemed granted unless the Commissioner within sixty (60) days after receipt thereof enters an order denying the request.

SECTION 8. FORMS - ADDITIONAL INFORMATION AND EXHIBITS.

In addition to the information expressly required to be included in Form A, Form B, Form C, Form D, and Form E, the Commissioner may request such further material information, if any, as may be necessary to make the information contained therein not misleading. The person filing may also file such exhibits as it may desire in addition to those expressly required by the statement. Such exhibits shall be so marked as to indicate clearly the subject matters to which they refer. Changes to Forms A, B, C, D or E shall include on the top of the cover page the phrase: "Change No. (insert number) to" and shall indicate the date of the change and not the date of the original filing.

SECTION 9. DEFINITIONS.

- (a) "Commissioner" means the Arkansas Insurance Commissioner.
- (b) "Executive officer" means chief executive officer, chief operating officer, chief financial officer, treasurer, secretary, controller, and any other individual performing functions corresponding to those performed by the foregoing officers under whatever title.

Such person shall also furnish the required information on Form E, hereby made a part of this Rule and Regulation and described in Section 14 of this Rule and Regulation.

SECTION 12. AMENDMENTS TO FORM A.

The applicant shall promptly advise the Commissioner of any changes in the information furnished on Form A arising subsequent to the date upon which such information was furnished, but prior to the Commissioner's disposition of the application.

SECTION 13. ACQUISITION OF ARK. CODE ANN. §23-63-506 INSURERS.

(a) If the person being acquired is deemed to be a "domestic insurer" solely because of the provisions of Ark. Code Ann. §23-63-506, the name of the domestic insurer on the cover page should be indicated as follows:

"ABC Insurance Company, a subsidiary of XYZ Holding Company".

(b) Where a §23-63-506 insurer is being acquired, references to "the insurer" contained in Form A shall refer to both the domestic subsidiary insurer and the person being acquired.

SECTION 14. PRE-ACQUISITION NOTIFICATION.

If a domestic insurer, including any person controlling a domestic insurer, is proposing a merger or acquisition pursuant to §§23-63-506, et seq., that person shall file a pre-acquisition notification form, Form E, which was developed pursuant to §23-63-527.

Additionally, if a non-domiciliary insurer licensed to do business in this State is proposing a merger or acquisition pursuant to §§23-63-506, et seq., that person shall file a pre-acquisition notification form, Form E. No pre-acquisition notification form need be filed if the acquisition is beyond the scope of §§23-63-525, et seq., as set forth in §23-63-526(b); unless the Commissioner so requests.

In addition to the information required by Form E, the Commissioner may wish to require an expert opinion as to the competitive impact of the proposed acquisition.

The Form E filing shall be accompanied by the Rule 57 fee for notice filings or exemptions.

SECTION 15. REGISTRATION OF INSURERS - STATEMENT FILING.

An insurer required to file and maintain a registration statement pursuant to Ark. Code Ann. §23-63-514 shall furnish the required information on Form B, hereby made a part of this Rule and Regulation.

Notwithstanding the frequency or lack of filed amendments reporting material transactions in the intervening period, each domestic insurer subject to registration under this Rule shall update, restate and refile with the Department a full and complete registration statement (Form B), with the companion summary (Form C), annually on or before April 1st. The Form B filing shall be accompanied by the proper Rule 57 fee.

SECTION 16. SUMMARY OF REGISTRATION - STATEMENT FILING.

An insurer required to file and maintain a registration statement pursuant to Ark. Code Ann. §23-63-514 is also required to furnish information required on Form C, hereby made a part of this Rule and Regulation. SECTION 17. AMENDMENTS TO FORM B.

- (a) An amendment to Form B shall be filed within fifteen (1) days after the end of any month in which there is a material change to the information provided in the registration statement.
- (b) Amendments shall be filed in the Form B format reporting only those items which are being amended. Each amendment shall include at the top of the cover page "AMENDMENT NO. [insert number] to Form B for [insert year]" and shall indicate the date of the change and not the date of the original filings.
- (c) Amendments shall be accompanied by the proper Rule 57 fee.
- (d) Notwithstanding the frequency or lack of filed amendments reporting material transactions in the intervening period, each domestic insurer subject to registration under this Rule shall update, restate and refile with the Department a full and complete registration statement (Form B), with the companion summary (Form C), annually on or before April 1st. The Form B filing shall be accompanied by the proper Rule 57 fee.

SECTION 18. ALTERNATIVE AND CONSOLIDATED REGISTRATIONS.

- (a) Any authorized insurer may file a registration statement on behalf of any affiliated insurer or insurers which are required to register under Ark. Code Ann. §23-63-514. A registration statement may include information not required by the Act regarding any insurer in the insurance holding company system even if the insurer is not authorized to do business in this State. In lieu of filing a registration statement on Form B, the authorized insurer may file a copy of the registration statement or similar report which it is required to file in its State of domicile, provided:
 - (1) The statement or report contains substantially similar information required to be furnished on Form B; and
 - (2) The filing insurer is the principal insurance company in the insurance holding company system.
- (b) The question of whether the filing insurer is the principal insurance company in the insurance holding company system is a question of fact and an insurer filing a registration statement or report in lieu of Form B on behalf of an affiliated insurer, shall set forth a brief statement of facts which will substantiate the filing insurer's claim that it, in fact, is the principal insurer in the insurance holding company system.
- (c) With the prior approval of the Commissioner, an unauthorized insurer may follow any of the procedures which could be done by an authorized insurer under Subsection (a) above.
- (d) Any insurer may take advantage of the provisions of Ark. Code Ann. §23-63-514(f) or (g) without obtaining the prior approval of the Commissioner. The Commissioner, however, reserves the right to require individual filings if he deems such filings necessary in the interest of clarity, ease of administration or the public good.

SECTION 19. DISCLAIMERS AND TERMINATION OF REGISTRATION.

(a) A disclaimer of affiliation or a request for termination of registration claiming that a person does not, or will not upon the taking of some proposed action, control another person (hereinafter referred to as the "subject") shall contain the following information:

- (1) The number of authorized, issued and outstanding voting securities of the subject;
- (2) With respect to the person whose control is denied and all affiliates of such person, the number and percentage of shares of the subject's voting securities which are held of record or known to be beneficially owned, and the number of shares concerning which there is a right to acquire, directly or indirectly;
- (3) All material relationships and bases for affiliation between the subject and the person whose control is denied and all affiliates of such person;
- (4) A statement explaining why the person should not be considered to control the subject.

(b) A request for termination of registration shall be deemed to have been granted unless the Commissioner, within thirty (30) days after he receives the request, notifies the registrant otherwise.

SECTION 20. TRANSACTIONS SUBJECT TO PRIOR NOTICE - NOTICE FILING.

An insurer required to give notice of a proposed transaction under Subsection (a)(2) pursuant to Ark. Code Ann. §23-63-515 shall furnish the required information on Form D, hereby made a part of this Rule and Regulation.

SECTION 21. EXTRAORDINARY DIVIDENDS AND OTHER DISTRIBUTIONS.

(a) Requests for approval of extraordinary dividends or any other extraordinary distribution to shareholders shall include the following:

- (1) The amount of the proposed dividend;
- (2) The date established for payment of the dividend;
- (3) A statement as to whether the dividend is to be in cash or other property and, if in property, a description thereof, its cost, and its fair market value together with an explanation of the basis for valuation;
- (4) A copy of the calculations determining that the proposed dividend is extraordinary. The work paper shall include the following information:
 - (i) The amounts, dates and form of payment of all dividends or distributions (including regular dividends but excluding distributions of the insurer's own securities) paid within the period of twelve (12) consecutive months ending on the date fixed for payment of the proposed dividend for which approval is sought

and commencing on the day after the same day of the same month in the last preceding year.

(ii) Surplus as regards policyholders (total capital and surplus) as of the 31st day of December next preceding;

(iii) If the insurer is a life insurer, the net gain from operations for the twelve (12) month period ending the 31st day of December next preceding;

(iv) If the insurer is not a life insurer, the net income less realized capital gains for the twelve (12) month period ending the 31st day of December next preceding and the two preceding twelve (12)-month periods; and

(v) If the insurer is not a life insurer, the dividends paid to stockholders excluding distributions of the insurer's own securities in the preceding two (2) calendar years.

(5) A balance sheet and statement of income for the period intervening from the last annual statement filed with the Commissioner and the end of the month preceding the month in which the request for dividend approval is submitted; and

(6) A brief statement as to the effect of the proposed dividend upon the insurer's surplus and the reasonableness of surplus in relation to the insurer's outstanding liabilities and the adequacy of surplus relative to the insurer's financial needs.

(b) Subject to Ark. Code Ann. §23-63-515(c), (d), (e) and (f) as to extraordinary dividends, each registered insurer shall report to the Commissioner all dividends and other distributions to shareholders within fifteen (15) business days following the declaration thereof, including the same information required by Subsections (a)(4)(i)-(v) of this Section.

SECTION 22. ADEQUACY OF SURPLUS.

The factors set forth in Ark. Code Ann. §23-63-515(b) are not intended to be an exhaustive list. In determining the adequacy and reasonableness of an insurer's surplus, no single factor is necessarily controlling. The Commissioner, instead, will consider the net effect of all of these factors plus other factors bearing on the financial condition of the insurer. In comparing the surplus maintained by other insurers, the Commissioner will consider the extent to which each of these factors varies from company to company and in determining the quality and liquidity of investments in subsidiaries, the Commissioner will consider the individual subsidiary and may discount or disallow its valuation to the extent that the individual investments so warrant.

- (b) The financial statements shall include the annual financial statements of the ultimate controlling person in the insurance holding company system as of the end of the person's latest fiscal year.

If at the time of the initial registration, the annual financial statements for the latest fiscal year are not available, annual statements for the previous fiscal year may be filed and similar financial information shall be filed for any subsequent period to the extent such information is available. Such financial statements may be prepared on either an individual basis, or unless the Commissioner otherwise requires, on a consolidated basis if such consolidated statements are prepared in the usual course of business.

Unless the Commissioner otherwise permits, the annual financial statements shall be accompanied by the certificate of an independent public accountant to the effect that the statements present fairly the financial position of the ultimate controlling person and the results of its operations for the year then ended, in conformity with generally accepted accounting principles or with requirements of insurance or other accounting principles prescribed or permitted under law. If the ultimate controlling person is an insurer which is actively engaged in the business of insurance, the annual financial statements need not be certified, provided they are based on the Annual Statement of such insurer filed with the insurance department of the insurer's domiciliary state and are in accordance with requirements of the insurance or other accounting principles prescribed or permitted under the law and regulations of that state.
